

Faith at Home
Weekly Take-Home

For the week of Sunday, December 6 - 12, 2009

Theme: *Story of Zechariah*

Scripture reference: *Luke 1:5-23*

Discussion: *In this scripture passage, we learn what happens to Zechariah when he doubts the message Gabriel delivers to him from God.*

*Why do you think God has chosen to silence Zechariah?
Do we experience things differently when we are silent?*

Have members share a time when they either doubted God's plan or felt hopeless or sad about something.

Have members share how they reacted to those feelings. Did they question God? How did the situation turn out? Did they feel God was working in their life? How did they know?

Activity: *Join in group prayer. Have each person share a current concern or doubt. Then, as the Advent Season*

Share your faith

teaches us, stay alert in the coming weeks and watchful for the coming of Christ into our lives. Set aside some alone time sometime in your day (driving to or from work, breakfast, bedtime), and think about how God is helping you work out this problem. Share your experience of how God is answering your prayers.
