

## **Faith at Home**

### **Weekly Take-Home**

**For the Week of Sunday, June 27 – July 3, 2010**

**Theme:** Servanthood

**Scripture for the Week:** Philippians 2:5-11. These verses can be found at [Biblegateway.com](http://Biblegateway.com). Have one person read the scripture aloud.

#### **Discussion:**

1. Describe what an attitude is. What is a bad attitude? What is a good attitude? What is a Christ-like attitude?
2. How did Christ “make himself nothing”? Why do you think God chose this path for Jesus?
3. Consider the attributes of a servant. Then, consider the attributes of the person whom a servant serves. Which position would you rather be in? Why?
4. How specifically have others served you? How did it make you feel? How have you served others? How did that make you feel? Was it as hard as you thought it was going to be?

#### **Activity for the Week:**

This week, as you view the news, advertisements, TV shows or movies, read magazines, watch sporting events, consider why people are praised and given attention. How do people exalt themselves? Are there any genuine examples of people serving others?
