

Faith at Home

Weekly Take-Home

For the week Sunday, June 6, 2010

Theme: Faith and Deeds

Scripture Reference: Read James 2: 14-17 together

:Questions: for discussion:

- Is it possible to lead a faith-filled life without action?*
- Does having faith naturally compel us to action or do we need to look for opportunities to help others?*
- Why does God want our faith to be put into action?*

Share your faith

Younger Folk: *Think of a time when you've done something nice for a friend or family member? Did that action make that person happy? How did it make you feel to help that person? When we help others, how do you think it makes God feel?*

Pray: *Lord, guide me in my actions, and help me to recognize opportunities when I may be of help to others in ways that are pleasing to you.*
